

ArtServe long service awards

Do you want to recognise someone who has served the church faithfully for many years? ArtServe produces high quality certificates for those who have served the church through the arts in any capacity, whether through music, dance & drama, visual arts, or creative writing. We have a silver certificate for 25 years service, and a gold certificate for those who have served the church for at least 40 years. Certificates are inscribed by our own calligrapher and cost £15.00 each.

Please mention **ArtServe long service awards** in any related publicity. By applying for an award you agree to the citation being listed on the ArtServe website (www.artserve.org.uk). If in addition you would like a photo and/or a brief report of the occasion to appear on our website please email them to webmaster@artserve.org.uk.
